Where Innovation Meets Reliability

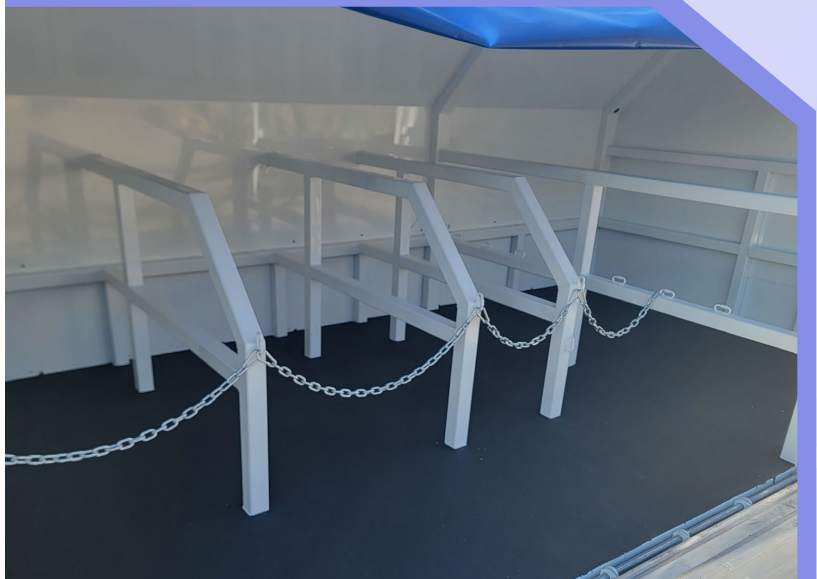

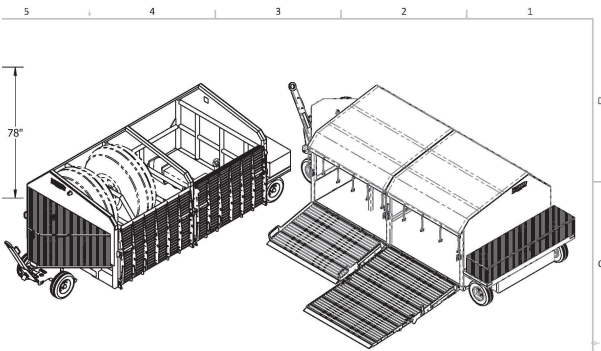

Part Number : 35-00024

## SPECIFICATIONS

- Heavy-Duty Galvanneal Steel Construction**  
*Robust steel construction provides enhanced durability and resistance to rust, ensuring long-lasting performance.*
- Main and Nose Wheels Racks for Safe Transport**  
*Designed to securely hold wheels in place during transport, preventing shifting and potential damage.*
- Brake and Jack Storage Area**  
*Convenient storage for brake and jack equipment, keeping everything organized and accessible.*
- Lightweight, Non-Slip Extruded Aluminum Lift-Up Ramps**  
*Facilitates safe and easy loading and unloading, enhancing ergonomics with lightweight aluminum ramps designed for effortless operation.*
- Fully Enclosed Cart Design with Reinforced Tarp System**  
*Protects contents from the elements and provides added security during transport.*
- Non-Slip Floor Coating**  
*Ensures secure footing, reducing the risk of slips and falls during loading and unloading.*
- Lockable Front or Rear Aluminum Storage Box**  
*Provides secure storage for tools and equipment, enhancing operational efficiency.*
- Tow Bar Actuated Parking Brakes**  
*Integrated parking brakes activated by the tow bar for safe and reliable operation.*
- Aircraft-Specific Designs**  
*Tailored designs to meet the unique requirements of various aircraft types.*
